No. TITE /291 /25

Dated: 05.09.2025

INDUSTRY INSTITUTE PATERNERSHIP CELL(IIPC)

Industry Institute partnership cell (IIPC) at TITE is established to bridge the gap between the institute and industry and thus enhancing the relationship among each other. This cell identifies the industrial expectation and promotes institutional preparation for meeting industrial needs by facilitating sponsored R&D projects, seminars, workshops and various other industrial training programs. The aim of the cell is to make an effective contribution to educational system identifying the gap between academic curriculum and need of the industry. Industry Institute partnership promotes in equipping faculty to latest practices and makes the students industry-ready by providing exposure to current industry practices and hone their skills to adapt changing technologies. The primary focus of IIPC is to interact with elite industries across the country and establish partnership them.

Objectives

The institute has set up an industry-institute Partnership Cell with the following objectives:

- Bridging the gap between Industry-Institute by interactive programs keeping in mind about bringing in improvement of the performance of the industries
- Promoting a partnership approach towards mobilizing industrial personnel.
- Meeting the future human resource needs after identifying the present day requirements of the industry
- Organizing seminars, symposium, exhibitions and workshops both for faculties and students in cutting edge technologies to cater to the current need of the industry.

Activities

- To arrange industrial training for students and faculty members.
- To identify the opportunities for student project work in Industries.
- To encourage the department level tie-ups or MoUs with Industries for the mutual benefit.
- To promote consultancy activities and research and developmental activities with industry.
- To enrich the teaching learning process through identified industrial gap.
- To arrange for students industrial visit.
- To invite industry experts for guest lectures, seminars, Brain-storming sessions and expertise sharing.
- To help students in getting suitable placements in industries / companies /other employing organization in the Government and Private Sectors.

- **Role of Coordinator**

To initiate different collaboration with industries at institute level by identifying the industrial expectation and promoting institutional preparation for meeting industrial needs by facilitating project work, seminars, workshops and various other industrial training programs.

- **Role of Committee Members**

To identify the gap in the curriculum keeping in mind the Program Specific Outcome of their respective department and cater to them by initiating different events, workshop, industry visit etc. in collaboration with different industries.
